# ART WARS

## EVENT INFORMATION

Join us at Peter's Biergarten for a community event where three local artists will collaborate on an art project. The resulting artwork will be divided into several canvases for sale. Adding to the fun, we'll have live music, delicious drinks, and enjoyable yard games.

All proceeds from this event will support our Annual Campaign fundraiser, which helps our organization continue to offer free outdoor programming. Our goal is to make the Winona outdoors a more accessible and welcoming space for everyone.
